REMEMBERING KASHMIR & REAFFIRMING OUR RESOLVE

INTER-HOUSE DEBATE COMPETITION / AWARENESS SESSION

COMMANDANT'S MESSAGE

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Distinguished Faculty Members & My Dear Cadets, AOA & Good Day

Today, on Youm-e-Istehsal, we have gathered to express complete solidarity with our Kashmiri brothers and sisters in Indian Illegally Occupied Jammu & Kashmir.

5th August 2019 marks a dark chapter when India illegally and unilaterally revoked Articles 370 and 35A of its own constitution. Through this act, an attempt was made to alter the internationally recognised disputed status of Jammu & Kashmir, to change its demography, and to deny Kashmiris their fundamental right to self-determination.

This illegal step was not only a violation of international law and UN Security Council Resolutions, but also a blatant disregard for the aspirations of the Kashmiri people. However, no oppression, no lockdown, and no demographic engineering can erase the Kashmiri identity or weaken their resolve for freedom.

Dear Cadets, Kashmir is the jugular vein of Pakistan. It is a matter of our ideology, our conscience, and our national security. The blood of Kashmiri martyrs, the courage of Kashmiri mothers, and the defiance of Kashmiri youth remind us that the struggle for truth and justice never dies.

As future leaders of Pakistan, your role is critical. The best way to support Kashmiris is to become strong, capable, and disciplined citizens. Your education, character, and commitment to serve the nation will make Pakistan stronger — and a stronger Pakistan is the greatest voice for Kashmir.

Pakistan categorically rejects the illegal actions of 5th August 2019. We will continue to extend our full political, moral, and diplomatic support to the Kashmiri people until they are granted their right to self-determination as per UN Resolutions.

At the end, let us pray that the sun of freedom rises soon over Srinagar, and the people of Kashmir get the right that has been promised to them.

May Allah Almighty grant patience to the oppressed, unity to our nation, and success to the just cause. Ameen. Kashmir Banega Pakistan Insha Allah

Cadet College Killa Abdullah *as Custodian of Discipline*

Discipline is the foundation upon which character, leadership, and excellence are built. At **Cadet College Killa Abdullah**, discipline is not regarded merely as a set of rules but cultivated as a **way of life** that shapes young cadets into responsible, confident, and principled individuals.

From the first call of the day to the final lights-out, every aspect of cadet life is guided by **punctuality, order, respect, personal responsibility, and self-control**. Morning routines, academic commitments, parades, physical training, sports, dining etiquette, dress & turnout, and organized extracurricular activities collectively develop habits that remain with cadets far beyond their college years.

The College firmly believes that true discipline is not created through punishment alone. Rather, it emerges when cadets understand the value of **duty, accountability, integrity, and respect for others**. Faculty members, house staff, instructors, and the administration work collectively to provide an environment where standards are clearly defined, consistently maintained, and reinforced through personal example.

As the **Custodian of Discipline**, Cadet College Killa Abdullah strives to transform youthful energy into purposeful action. Cadets are encouraged to lead themselves before aspiring to lead others—to be punctual without being reminded, responsible without being supervised, and upright even when no one is watching.

Through this enduring commitment, the College seeks not merely to educate young minds, but to **mould character, strengthen resolve, and nurture future leaders** capable of serving society and the nation with honour, courage, and distinction.
